

CREATIVE MOVEMENT

AN INTRODUCTION TO MOVEMENT AND MUSIC FOR DANCERS AGES 2-3

OUR MISSION

We are passionate about building a foundation for our youngest dancers that is deeply rooted in a joy for movement. By expanding our Preschool Program and introducing Creative Movement, we've opened new doors to inspire dancers of all ages. Creative Movement nurtures confidence, compassion, and creativity—offering young dancers a warm, magical space to learn and grow.

CLASS CURRICULUM

Creative Movement is a gentle, joyful introduction to the world of music and dance. In every class, young dancers explore fundamental movement skills within a warm, nurturing environment. Beyond learning dance basics, our students take their first playful steps toward teamwork, independence, and social growth.

CLASS REQUIREMENTS

Our Creative Movement dancers are required to come to class wearing a pink leotard with an attached skirt, pink tights, pink ballet shoes, and their hair in a bun. Dancers are also recommended to bring a dance bag to class with a bottle of water. Dancers must be 2 by September 1st, 2026, and potty-trained.
